REPORTS

Trustee: Efrat provided updates on our community partnerships. This included information about the Rural Home Repair program offered by the County Commissioners, the City's climate action program providing air conditioning units to low-income families with a medical need, and South Central Community Action Program's (SCCAP) new initiative, which will cover rental and utility deposits and past-due medical debt, property taxes, or childcare.

Efrat also discussed the plan to increase pantry accessibility by staying open until 6:00 p.m. on Thursdays and providing Saturday hours on the third Saturday of each month. To facilitate this plan, the township has hired Pat Murphy as a part-time hourly worker. The plan includes quarterly special events, with the first event focused on providing swimsuits and swim gear to township kids.

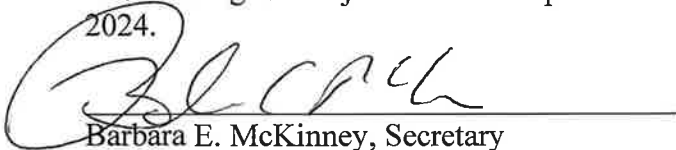

Board: Dorothy reported she will be out of town in October on the date for the budget adoption meeting. Alternate meeting dates were discussed, and it was decided that the public hearing will occur on August 29th, and the adoption meeting will be held on September 12th.

E. reported she will be out of town on June 13th, and the decision was made to cancel the June meeting.
